OBJECTIVE

To professionally and kindly engage with Reynolda House's online audience, maintain databases and help with online content creation.

SKILLS

I am an excellent summarizer, and would be a helpful part of any team putting together marketing content. In college, I had a couple of jobs managing databases in the IT Department using Oracle. I enjoy thinking creatively and am a quick, enthusiastic learner.

EXPERIENCE

PROFESSIONAL PHOTOGRAPHER • AMY BADGETT BECK PHOTOGRAPHY • 2012-2020

Managed visual content, created several websites, familiar with Squarespace and the Adobe Suite (primarily Photoshop, Lightroom, and InDesign), kept up with social media content, promotions and a blog over the years. A student of art, interested in 19th Century Photographic Printmaking Processes. First photo book coming out October 2020.

BARISTA • CAMINO BAKERY • 2014-2020

Successfully and joyfully maintained good relationships with all co-workers and customers. Excelled in juggling many tasks at once, learned the disciplines and benefits of working as a part of a team. This job has allowed me the support and flexibility needed in pursuing my photography.

EDUCATION

BACHELORS OF EDUCATION • 2013 • WEST COAST BAPTIST COLLEGE

Studied to teach High School History.

VOLUNTEER EXPERIENCE OR LEADERSHIP

Have taught classes in Cyanotype Printmaking at Sawtooth School for Visual Art since 2019. I never found my passion for teaching history, but teaching and learning historic art processes has been very life-giving.
